APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. A substantial weir or other type of measuring device must be installed and maintained and accurate measurements of the water used must be made and record kept thereof. It is understood that the static water level in permittee's well under this permit will be subject to reasonable lowering. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 6.0 cubic feet per second.

Actual construction work shall begin on or before November 26, 1949.

Proof of commencement of work shall be filed before December 26, 1949.

Work must be prosecuted with reasonable diligence and be completed on or before November 26, 1951.

Proof of completion of work shall be filed before December 26, 1951.

Application of water to beneficial use shall be made on or before November 26, 1953. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 26, 1953.

Map Filed SEP 3 1948 with State Engineer on or before December 26, 1953.

WITNESS MY HAND AND SEAL this 27th day

JAN 27 1954

of May, 1949.
